

Bible Reading Plan

With this plan you can read the whole Bible in a year by reading five days a week. The Old Testament readings are placed as chronologically as possible (even the Psalms are read where they belong in Israel's history when feasible, and this is why some prophets appear to be "out of order"). The only exception is Job, probably the oldest book in the Bible, but placed at the schedule's end because it is hard to fit elsewhere. The New Testament readings space the gospels out throughout the year to keep the reader constantly coming back to the life and teachings of Jesus.
